1. Listen for the pulse or establish a regular pulse (beat) yourself.
2. Keep the pulse going by tapping it (inaudibly) with your finger or a big toe inside your shoe.
3. Speak or sing each exercise on the following slides, using the appropriate Kodály rhythm syllables for the note values you see — “ta” for quarter notes, and “too-oo” for half notes.
4. Repeat each exercise until you are confident.
5. Record yourself using [Flipgrid.com](https://flipgrid.com) or [Loom.com](https://loom.com) (preferred method) or, in a pinch, your smartphone (see Slide 12 below for instructions.)
